Escape SUS

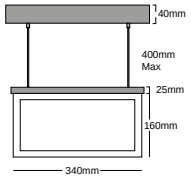

The Escape SUS is an 8W LED emergency exit sign for ceiling surface mounting. The fitting offers adjustable suspension heights from a surface mounted gear box and has no visible power cables. The exit sign can be supplied with 3 hour maintained or 3 hour non-maintained emergency versions and features an extruded aluminium LED housing and plastic gear box. The fitting has an integral push to test function and indication of general faults.

- Extruded aluminium LED Housing
- No RF and electronic magnetic interference
- Over 50,000 hours life span
- Adjustable suspension
- No visble power cables
