GO LED Tape

The GO Tape is a IP67 rated LED tape. It uses 60 LED chips per metre with power consumption options of 10W/m or 14.4W/m. Our GO Tape features low energy consumption with a great degree of flexibility, ideal for both indoor and outdoor use.

- IP67 rated
- 120° beam angle
- SMD 5050 LED chip

General

Reel Length	50m
Profile	50,000 x 14 x 8mm
Cutpoints	Approx 1000mm
LED Pitch	16.7mm
Certification	CE, ROHS
Warranty	2 Years

Performance

IP Rating	IP67
Colour Rendering	Ra>80
Voltage	AC100-120V or 220-240V (50-60Hz)
Colour	3000K 4000K 6000K RGB
LED Quantity	60leds/m

Available options

Colour Temperature	3000K, 4000K, 6000K, RGB
Wattage	10W/m, 14.4W/M
Voltage	110-120V AC, 220-240V AC

Product Code: TPE-GO-IP67-060
