Haydos Opal

The Haydos Opal high bay LED is fitted with Philips LED and a Meanwell driver creating a high performing durable product. The body is made from cast aluminium and houses a tempered glass diffuser. The Opal diffuser is constructed from high efficiency PMMA which gives the luminaire optimum performance. The Haydos Plus comes supplied with loop suspension mounting as standard but can also be supplied with ceiling or wall bracket.

- Philips LED chip
- Meanwell driver
- Aluminium body and tempered glass diffuser
- Instant on - no flicker
- Environmentally Friendly - No mercury or lead enters the environment
- No RF and electronic magnetic interference
- Over 50,000 hours life span
